

Master-Tube PUR Channeled profiles

PU grooved tubing, high abrasion resistance and temperature resistance under mechanical stress, oil and grease resistant, various designs available in terms of number of grooves and groove profile

flexible

Product Details

Construction / Material

- Execution of the wall: made of highly abrasion-resistant material

Properties

- Chemical Properties: good UV resistance, plasticiser-free
- Mechanical Properties: elastic behaviour under mechanical stress
- Flexibility: flexible

Operating Temperature

- Temperature Range: -40 to 85 °C

Application Areas

- Areas of application: Plant & Mechanical Engineering, Industry

Disposal instructions

After use, the product must be disposed of in accordance with the legal regulations applicable in the user's region (in Germany in accordance with the applicable Waste Catalogue Ordinance (AVV)).

Individual consultation

We offer consultation by phone: **+55 11 4151 5100**
